Final Tour

SHARON HIGH SCHOOL

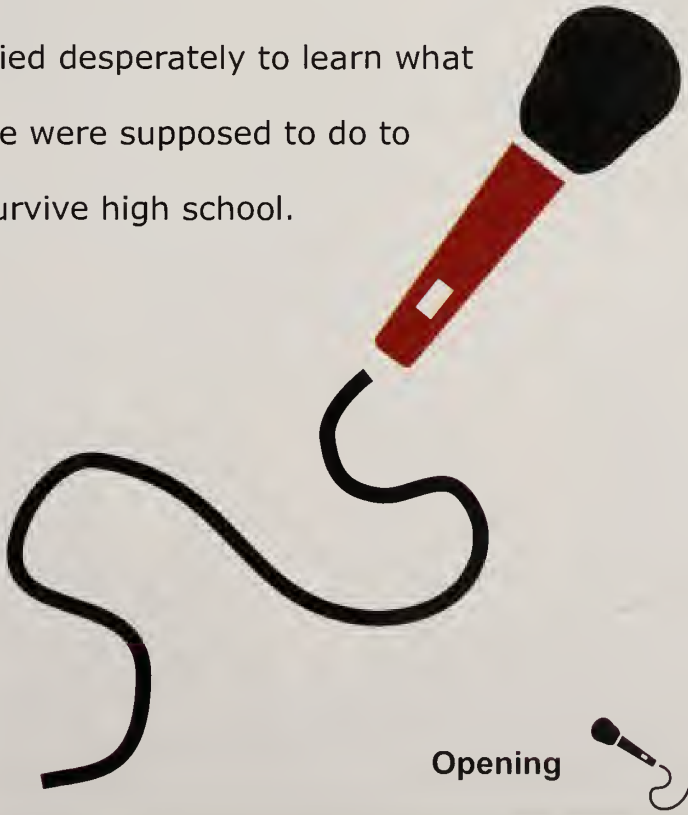
2004

"It's something unpredictable..."

When we entered Sharon High School just four years ago and were greeted for the first time as the graduating Class of 2004, no one really knew what to expect. What was high school all about?

As freshman, we took our first tour of SHS. As a class, we united and met the challenge of being "The New Kids on the Block." We shied away from the spotlight and stayed in the crowd, a quiet audience, and tried desperately to learn what we were supposed to do to survive high school.



Final Tour

SHARON HIGH SCHOOL

2004

Sophomore year rolled around, and the Class of 2004 was ready to step out of the crowd and move onto the stage. Providing a simple background for the hustle and bustle of SHS, we sophomores were like musicians. We were seen and accepted, but were we not yet ready to completely step out of the shadows.

As juniors, we were thrust onto mid-stage as the background singers of SHS. Showing our spirit and paving the way for the audience and band, we continued to learn and grow as a class. As our third year came to a close, the Class of 2004 was anxious and apprehensive.

SHARON HIGH SCHOOL

Were we ready to step into the spotlight?

"...but in the end it's right..." As we embark on our **Final Tour**, the Class of 2004 steps onto center stage with confidence, ready to be the star of the show. Leading the school in all aspects, we stand strongly united as a class, supporting each other every step of the way.

As we, the Class of 2004, throw our caps in the air in the spring, we take our final bow on the Sharon stage, and part as friends. Although we will move in separate directions, we will never forget our **Final Tour** of Sharon High, our last hoorah. Good luck Class of 2004, "...we hope you've had the time of your life."

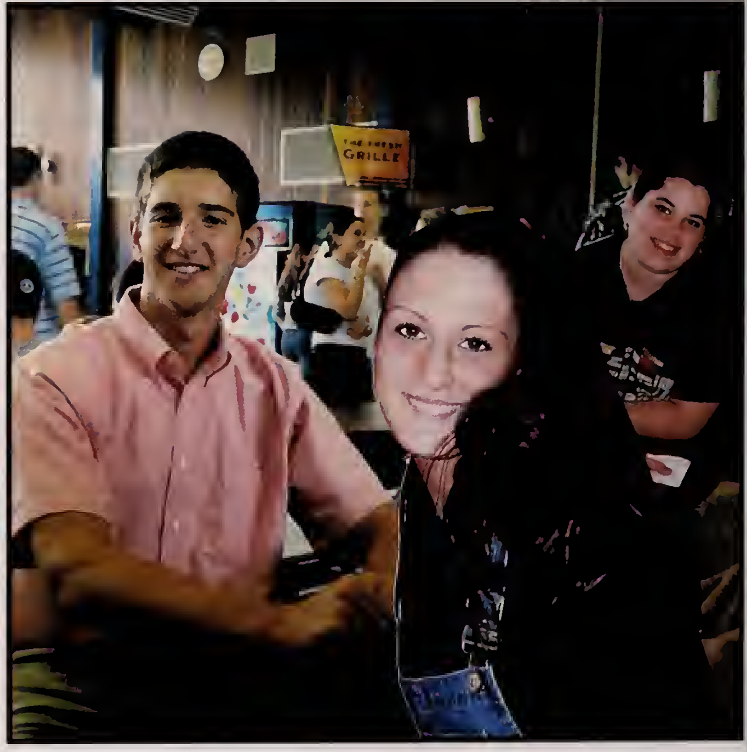
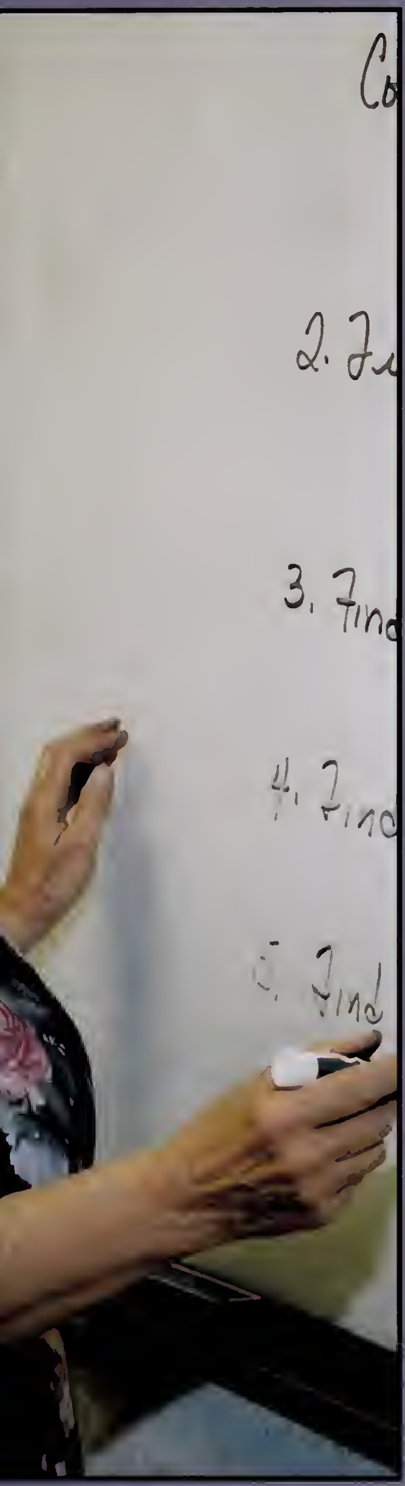
At Sharon High School everyone may move to the beat of their own drum, but when it comes down to it, we're all part of the same band. At lunches, dances, and at other school events, students hang out with people from different grades; we all mix. Some of us may sing the lead and some of us may sing back-up, but it takes all of us to make our student life "rock".



In Dedication to and...



Dr.Deutsch

Dr.Deutsch is an amazing teacher. She is truly passionate about chemistry, and more importantly, she is able to teach her students to enjoy the subject. Her labs are always creative and her lessons are always thorough. She is notorious for her style of dictating notes in accordance with the Cornell Method; but her classes consist of so much more then lectures and note taking.

Dr.Deutsch allows her students ample time to ask questions and make real-life connections. She even interjects an occassional story from her childhood in order to illustrate a point or principle that is relevant to class. These stories help to reinforce the role that chemisrty plays in everyday life. They help to transform scientific data into practical information.

Dr.Deutschs' students leave her class with more than practical knowledge. She is known for giving her students a strong basis in science that proves applicable to life. Many students go on to reference their notes well into college because they find them to be one of their most comprehensive resources. It is because of her knowledge, enthusiasm, dedication and skill as a teacher, that we honor her with this years' well deserved dedication. Many thanks......

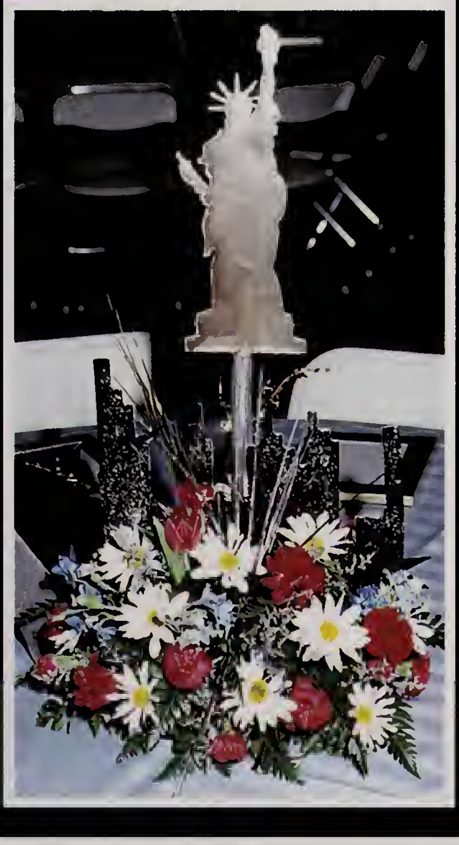
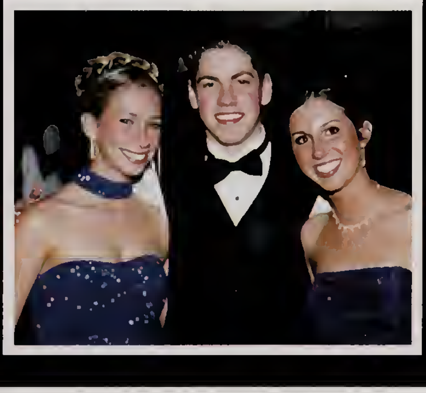
Junior Prom 2003

The high school gym was a sight to see,
It was April the twelfth 2003.
For the Class of 2004 it was their Jr. Prom,
The New York City decorations were really the bomb.
In tuxes, ball gowns and up-dos, everyone looked just right,
People were ready to party all night.
Eating, dancing, and singing galore,
The end of the prom left us all wanting more!





*Sophomore Semi

Class of 2005

On March 29, 2003,
The sophomore semi was the place to be.
Everyone enjoyed a night out on the town,
With stars and twinkling lights all around.
Food from D'angelos and partying galore,
Pretty dresses and suits were on the dance floor.
An unforgetable night, we all had a blast,
It's a shame it went by so fast.

Music, food, and lots of fun.

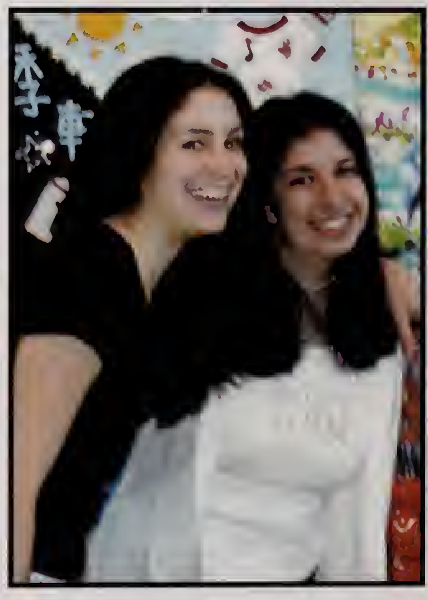
Community Service

At SHS students traditionally participate in community service, service-learning activities, and so much more throughout the year. Service-learning activities are integrated with the curriculum in the 11th grade via the American Dream Quilts Project and the Quilt/ Diversity Day Celebration, and the 9th and 5th grades' Ordinary Heroes Project, among others. Many of the school's clubs and other groups also participate in community service by visiting shelters and fundraising for different charities. Included amongst the favorites are Halloween for the Hungry, the Annual Blood Drive, and the Elementary Tutoring Project. We at SHS are very proud to be helping our community.

"People raved about the High School Helpers. This was the best response ever. It made such a difference for the Cottage Street Fun Fair."

"Enough cannot be said about these wonderful SHS students who helped with our grandson's rehabilitation process."



ARTS WEEK

Creative geniuses

During Arts Week 2003, students had the opportunity to showcase their work in the visual and performing arts. Displays of artwork lined the hallways, and from within the auditorium came the sounds of many of SHS' vocal and instrumental ensembles. Students directed and acted in plays, which they performed before parents, faculty, and friends. Arts Week was a reminder to everyone of just how important the arts are to Sharon High, and a fun way to show off a year of hard work.

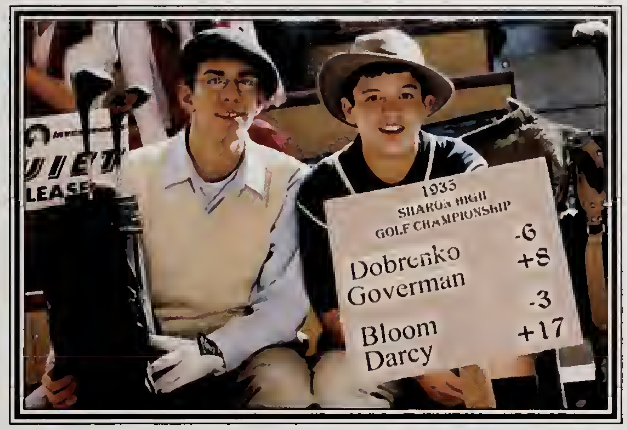
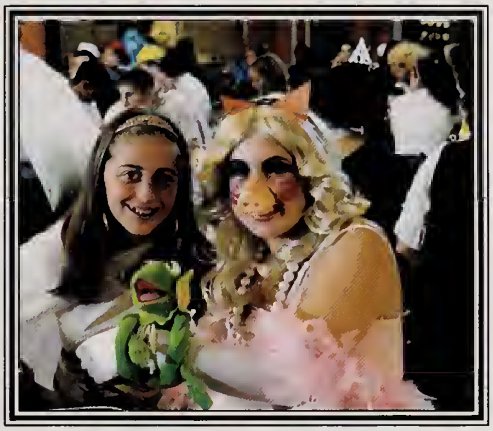
Halloween

Booooooooo...

Halloween is by far the best day of school because every class gets involved.

Each grade gets a hallway to decorate. Teachers are also part of the festivities. Many students and staff members wear costumes to school. Some dress up in groups, but there are also those who dress up solo in order to show off their unique personal creativity. At the end of the school day, all gather together in the gymnasium for the notorious Halloween Day Assembly. This tradition has been a part of Sharon High School for many years. The ceremony honors students and staff for having original, hand-made, and hilarious costumes. There is often quite a bit of competition between the grades as well as within them; everyone wants to have the best costume. An award for the best hallway is also given. This year, there were several notable outfits which included a can of Spam , golfers, the Michelin Tire Man, and the characters from Candy Land. It really is a fun day.





Homecoming

At the Homecoming festivites a good time was had by all! Even though the day was very cold, people started showing up for the carnival at 9:00 a.m.! They came to SHS to buy baked goods from the SADD booth, showed their school spirit by having their face painted by the drama club, and given the weather, enjoyed a much needed cup of hot chocolate.

At 1:00 the Sharon Eagles played the Stoughton Knights. At half time, the ceremonial walking across the field of kings and queens from each grade took place. The senior court consisted of Julie Hochman and David Chella, Robin Kraiterman and Michael Shumsker, Nick Garber and Mollie Ordway, Henry Appy and Sydney Walker, and the king and queen Jeff Kagan and Erika Snyder.

The junior class won the float contest with an awesome float, while the seniors' float came in a close second. The day was topped off with our football teams' big defeat over the Kights! What a great game. Go Eagles!!!

*** Underclassmen ***

"It's a hard knock life for us..."

-from the musical Annie

For the underclassmen, it really is a "hard knock life."

Lost freshmen enter school looking for their classes while attempting to adjust to the chaos of their first year at SHS. Sophomores, being more adjusted to their surroundings, dread the inevitable taking of the MCAS, but look forward to their Semi-formal! It gives them something to be excited about and sustains them thoroughout the year. Juniors long to be the oldest in the school while finishing off a tough academic year. With having heavy workloads and college preparations to contend with, juniors can't wait until their senior year. To be a SHS senior, with the perks of senior privileges and the luxury of getting out of school earlier than the rest of the student body, is the aspiration of many underclassmen.

*** SPORTS***

We are the champions...

-Queen

The SHS sports teams have "paid their dues time after time", and the results were those of bonds of friendship and camaraderie amongst teammates.
As champions, the Eagles "kept fighting til the end." Every team at SHS practiced hard daily to show their dedication and spirit, while their enthusiasm was evident via poster decorated hallways by secret psychers and proudly worn colors of maroon and gold.
There was "no time for losers" or poor sportsmanship; the Eagles always held their heads up high.
" 'cause we are the champions of the world."

The Boys' Tennis Team continued its streak as a force to be reckoned with by achieving an undefeated season! Under the leadership of Coach Ron Holt and the good example set for the team by its captains, this talented team couldn't be stopped.

Luckily for SHS, there are many tennis savvy underclass team members returning for next season. We wish them another very successful, if not undefeated, season. Go Eagles!

Girls' Tennis

The Girls' Tennis Team had another great season with a winning record of 17-4. Captains Dana Cohen, Corey Iverson, and Andrea Parton led the team to the semi-finals in the state tournament. The team would especially like to take this opportunity to extend its thanks to Coach Banno for all his time and guidance in coaching us, and for helping us accomplish our goal of having a successful season. Good luck next year to the 2004 team and its new captains Colby Dillon and Anna Orkin.

Spring Track

The Track Team had an exciting spring season. The team competed in many interleague meets as well as the State Coaches Invitational, the Class C Invitational, and the Hockomock League Championship. Many of the athletes qualified for the Class C Meet including Stephen Bright, Nate Tiller, A.J. Patel, Cornelia Photopuolos, Jenny Pearce, Nicole Ricciardi, Meredith Renke, Adie Sprague, and Emily Tran. Emily Tran went on to race the two mile in the Massachusetts All State competition, an excellent year for such a young athlete.

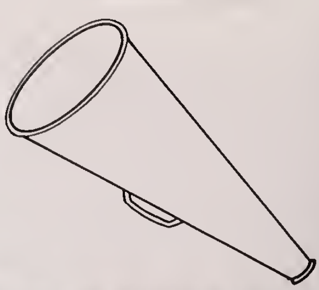
Cheerleading



Whether we were cheering in the freezing cold at football games or cheering in the fan-filled gym for basketball games, the SHS Varsity Cheerleaders had an amazing year! From cheer camp, to competitions, to practices, all the girls worked extremely hard to accomplish many of their goals. Led by co-captains Jen Natale and Amanda Keeling the team proved that with trust and teamwork their squad could do anything! Hosting the cheerleading Jamboree was an exciting part of the season that allowed the team to showcase their talents.The three departing seniors will be sorely missed because of their talent and enthusiasm. Teeing it up

While Sharon High Golf had a rebuilding year, the season was filled with some great experiences. The true talent of the team was expressed by the winning streak that started the season and by victories in two of the three final matches of the year. This gives the team high hopes for next season, as the only departing member is this year's senior captain Jason Minsk. Many of the underclassmen gained some valuable experience and the team should have a strong shot at making the state tournament for several years to come.

"We gained some valuable experience and we're looking forward to a strong team next year."

Girls' Soccer

The Sharon Girls' Soccer team proved not only to themselves but to their fans as well, that they had the determination and skill to perform well in each and every game. Although the season was not one of our most successful in terms of games won, we all felt that we improved both mentally and physically. We always played to our fullest potential. The Eagles, led by our great coach, Rachel Thomas, and our two senior captains, Heather Fortuna and Erika Snyder, managed two strong wins over Randolph and Foxboro, and one tie over Stoughton. Good luck to all of the players next year, we hope you have a great season!

Led by the "running fanatics," Mr. Mandell and Mr. Ragona, the team had a very successful season. They were amongst tough competition with the Hockomock League which had some of the most talented runners in New England. Novice and more experienced team members worked extremely hard throughout the fall. Captain Eric Greenspan went undefeated and received Hockomock League MVP. Quite an honor! Eric Greenspan and Dan Darcy competed at All-States and did very well. Led by senior captain Jenny Pearce and junior captain Rebecca Happnie, the girls contributed to the team's success by placing 7th in Division 2. Good luck to all the runners next year!

This year's Eagles, despite a 4-6 record, showed many flashes of brilliance throughout the entire season. The team faced many sizable oponents with much bigger rosters. Led by captains Henry Appy and Roman James, the young team was taught very well. And no matter what the outcome was, of any game, we always showed a lot of heat and commitment. This year we won our Thanksgiving game, which was a first in 13 years! Winter Track

With two new coaches this year, the SHS Track Team enjoyed another fun and successful season. Despite the record-breaking cold weather, we were able to find creative ways to train, in the form of indoor timed-runs, and circuit and stair workouts. These hard training exercises showed in our race times. Even though we were not the best team in the Hockomock League, many individuals made it to the Class C champoinships due to their great efforts. It was great working hard together for the good of the team. We will cherish the friends and memories we made and we will never forget them!

Gymnastics

The 2003-2004 SHS Girls' Gymnastics Team had an amazing season. For the third time in four years the team captured the Hockomock League title. We started off the season a little apprehensive due to the fact that we had a team comprised of many new freshman. But everyone was able to find their own rhythm and we were able to come together as a team. We proved to ourselves once again that we could do it! Yet despite the combination of a lot of hard work and a great effort by all, we still could not have done it without our great coaches. We apppreciate them more then they could know.

42nd Street

This fall, the Sharon High School Theatre Company presented “42nd Street” the musical November 21-24. Set in the 1930’s, “42nd Street” tells the story of a small town girl who steps out of the chorus and becomes a Broadway star overnight. In an ironic turn of events, the SHS production mirrored the show itself as junior Steph Ross stepped out of the chorus to play one of the leading roles in 3 out of 4 performances. Senior Lacey Drucker overcame her illness to perform the role for the final show and it was a spectacular performance.

The show was filled with lots of energetic and exciting dance and tap dance numbers, flashy costumes, and 12 foot tall periaktois setting the stage. “42nd Street” sold out every performance, and was an enormous production that has made its mark forever in the history of the SHS Theatre Company.

Faculty

"I believe the children are our future ♪ teach them well and let them lead the ♪ way..."

-Whitney Houston

From staff members to faculty to administration, each member of the SHS "group" helps to organize, mangage, and conduct the show. There are always adults available to talk to and learn from. Many of the staff members can be seen working before the school day begins each morning until five or six each night. However, their work doesn't stop when they leave the building.Teachers use their spare time to correct papers, plan lessons and assignments, and answer e-mails from their students, plus cheer us on at sporting events! They do this because they want to see their students succeed. Because they care, the staff takes time to get to know their students. No student is simply another "note on their score." They give their all five days a week, one hundred and eighty days a year in order to share their knowledge and give us guidance.They should receive a standing ovation for their dedication and hard work.

Best Wishes

from the

JAMIE

I hope you never lose your sense of wonder
You get your fill to eat but always keep that hunger
May you never take one single breath for granted
God forgive love ever leave you empty handed
I hope you still feel small when you stand beside the ocean
Whenever one door closes I hope one more opens
Promise me that you'll give faith a fighting chance
And when you get the choice to sit it out or dance
I HOPE YOU DANCE

I hope you never fear those mountains in the distance
Never settle for the path of least resistance
Livin' might mean takin' chances but they're worth takin'
Lovin' might be a mistake but it's worth makin'
Don't let some bent heart leave you bitter
When you come to sellin' out reconsider
Give the heavens above more than just a passing glance
And when you get the choice to sit it out or dance
I HOPE YOU DANCE
(lyrics from LEEANN WOMACK "I Hope You Dance")

Your workmanship is marvelous - and how well David knows it. (adapted from psalm 139)
